"we meet the challenge"

Meadows of Dan High School

Editor: Virginia Harris
Assistant Editor: Barbara Shelor

Foreword

This is it - our senior year. This is the year for which we have been preparing and waiting. There have been good times and bad, but both have been learning experiences, helping to develop our personality and character, and forming our ideals and ambitions. All these experiences have led to this, OUR year, in which we accept the challenge of proving ourselves capable leaders.

For this reason the seniors of 1967 issue a sincere thank-you to our teachers. Thank-you for giving of yourself beyond the call of duty in that you taught us not only the basic fundamentals of a good education, but you gave us equally important lessons in life - integrity, diplomacy, determination, and patience. Through your guidance, we are able to meet the challenges of

HEAVEN--HAVEN

I have desired to go
Where springs not fail,
To fields where flies
no sharp and sided hail,
And a few lilies blow.

And I have asked to be
Where no storms come,
Where the green swell
is in the haven dumb,
And out of the swing of the sea.

Principal's Message

Congratulations to the seniors of 1967 on the outstanding job performed on this year's SKYLINE.

It has been my desire that this, your last year of high school, has been a happy and successful step up the ladder of education.

I wish each senior a happy life. May each community in which you live be a better place because you have been there.

Best Wishes,

Bruce Midkiff

BUILD A BETTER MOUSETRAP

. . . and the world will make a beaten path to your door.

It happens all the time in our country. People with imagination and ambition can expect to be rewarded. Each of us has the opportunity to fulfill our dreams . . . to get ahead by building a better mousetrap.

In America profit and honor are rewards to those who make significant contributions to our way of life. This is because we believe in Free Enterprise, the economic system that has given us the highest standard of living in the world today.
